**Proposition 1** is a worst-case scenario for abortion in California. It is an expensive and misleading ballot measure that allows unlimited late-term abortions – for any reason, at any time, even moments before birth, paid for by tax dollars.

**Prop 1 isn't needed.** Sadly, California already has some of the most permissive abortion laws in the nation, but with some limits on late-term abortions – which will still be allowed without the amendment for the life and health of the mother. **Prop 1 destroys this limit.**

California does not limit state spending on abortion, and with thousands more traveling from other states, the cost will be in the hundreds of millions. **Don't hand lawmakers a blank check** to pay for abortions, and don't let them make California an "abortion sanctuary."

**Misleading. Expensive. Unnecessary.**
